

Made up of over 150 volunteer medical professionals to date, OnCall: Medicine with a Mission, is a ministry of Times Square Church dedicated to bringing free medical care around the world to those who need it most.

The mission is simple. The need is great.

OnCall has traveled to places like India, Haiti, Philippines, Guatemala, and Ivory Coast, providing everything from basic preventive care to disaster response and surgeries. The cost of purchasing the medications and supplies to allow our volunteer medical professionals to do what they do can be extremely high. This is where you come in.

One of our biggest needs is the donation of over the counter medications. Each trip we pack large humanitarian bags full of basic medicines for children and adults – basic medications that are so easily accessible to us but may never be available to the many we treat every year.

OnCall: Medicine with a Mission operates under the umbrella of Times Square Church in New York City. Times Square Church is a registered 501c3 charity (tax ID # 219792) All donations from you or your organization are tax deductible.

The following is a list of our most commonly used basic medications:

- Children's Chewable Vitamins
- Infant Vitamins
- Adult Multivitamins
- Antifungal Cream (Lamsil, Lotrimin, etc.)
- Pain Relievers (Tylenol, Advil, etc.)
- Infant and Children's Pain Relievers
- Cold and Cough Medicine
- Infant and Children's Cold and Cough Medicine
- Antacids (tums, pepsid, etc)
- Triple Antibiotic Creams
- Toothbrushes, toothpaste, mouthwash

Donations can be shipped to the address below (OnCall can cover the cost of shipping if needed.)
